

NHBC Staff Association

Membership application form

I would like to join and thereby support the NHBC Staff Association; a fully independent trade union that is affiliated to the Trades Union Congress (TUC)

I agree for the applicable monthly membership fee (currently £2 per month, but subject to change) to be deducted from my wages through NHBC's pay roll function.

I have read and agree to abide by the rules and Constitution of the Association, which can be found on the **Hub**, or supplied on request by a member of the Association's executive team.

I note that, as a single employer trade union, some of the Staff Association's functional processes are administered on its behalf by NHBC, including maintenance of employee / member data records. NHBC therefore shares employee data with the Staff Association to facilitate its smooth operation, such as communication with and mapping of its membership demographic. Routine communication is done using NHBC's internal systems; but I agree that I may be contacted using my personal details if the need arises (for instance, in an emergency). No personal data is shared outside of NHBC.
