I would like to join and thereby support the NHBC Staff Association (the SA), a fully independent trade union affiliated to both the Trade Union Congress (TUC) and General Federation of Trades Unions (GFTU). I accept that the SA does not include a political levy or fund or have any political affiliations.

I agree for the monthly membership fee of £2.50 per month (subject to change by agreement with members) to be deducted from my wages through NHBC's payroll function.

I have read and agree to abide by the Rules and Constitution of the Association. These can be found on the Hub, the Staff Association website (yoursa.org.uk), or by request from any member of the SA's Executive Committee.

I note that, as a single employer trade union, some of the SA's functional processes are administered on its behalf by NHBC, including maintenance of employee member data records. I authorise NHBC to share my data as necessary with the SA to facilitate a smooth operation. Examples of this include but are not limited to communication with members, mapping membership locations and/or demographic, or as may be necessary in the event of a postal ballot of members being required.)

All routine communication is carried out via NHBC's internal system. I agree that the SA may contact me using my personal details if the need arises. The SA does not store personal information such as addresses, but does receive a monthly membership report from NHBC.
